**Lots Of Miscellaneous Too Numerous To Mention**

**NOTE:** It is a great privilege that we get to offer this fine collection. Dr. Shorter was a Professor at Northwestern for many years and was a respected man in the community. He collected many things and we are fortunate to offer them to the public. He was well known for riding the big wheel bicycle at various events, and was a great lover of wildlife. This is one of the largest collections of Norman Rockwell books and prints that we have had the pleasure of selling.

Mr Thorne is a great collector of fine glassware; this is part of a lifetime collection of some of the finest carnival glass anywhere. Don and Kay Hood have a lifetime collection of fine glassware and antiques. This is one sale you do not want to miss if you want fine glassware, or a piece of history from the Shorter Estate. There will be a showing on Friday July 15th from 5:00 until 7:00. **Lunch will be served on sale day.** For more information contact Charles Murrow at – 580-327-1998 or 580-430-1654. Announcement day of sale take precedence over printed matter.
